Say if you wanna get down honey

From naira to rands

Naira to pounds

I'm killing the beat, I'm digging the ground

People dey vex cuz dey want to dance

They want to feel the groove and the bounce

Na me dey make them dey act like a tout

I spit fire when I open my mouth

I'm killing the beat, I'm digging the ground

People dey vex cuz dey want to dance

They want to feel the groove and the bounce

Na me dey make them dey act like a tout
