

# Drinkin' Song

Old 97's

Man, I had a terrible day  
I couldn't stop gettin' in my own way  
Time to blow my pay, I need a drink

Move your ass cause that's my stool  
Pour one Bass, no, make it two  
Don't need no lip from you, I need a drink

Fire up the generator, hoist the flag and set the sails  
Tonight ain't gonna be here very long  
Take a picture now cause pretty soon it's going to hell  
I'll kick your ass if you don't sing along  
Let's sing a drinkin' song

Today I'm sitting on top of the world  
I got a phone number from a tattooed girl  
She seems just like the first  
Let's have a drink

Climbed a hill on a motorbike  
Heard a new song by an old band I like  
I like it better than I thought I might  
Let's have a drink

Fire up the generator, hoist the flag and set the sails  
Tonight ain't gonna be here very long  
Take a picture now cause pretty soon it's going to hell  
Don't put another sad record on  
Let's sing a drinkin' song

Hell yes hell yes hell yes hell yes  
Right on right on right on  
Let's celebrate our sickness  
Give in to our weakness  
Line 'em up and knock 'em down  
And sing a drinkin' song

Fire up the generator, hoist the flag and set the sails  
Tonight ain't gonna be here very long  
Take a picture now cause pretty soon it's going to hell  
All these drunken broken hearts can't be wrong  
Let's sing a drinkin' song

Hell yes hell yes hell yes hell yes  
Right on right on right on  
Let's celebrate our sickness  
Give in to our weakness  
Line 'em up and knock 'em down  
And sing a drinkin' song

Hell yes hell yes hell yes hell yes  
Right on right on right on  
Let's celebrate our sickness  
Give in to our weakness  
Line 'em up and knock 'em down  
And line 'em up and knock 'em down  
And line 'em up and knock 'em down

And sing a drinkin' song
