

Just Like A Woman

Old Crow Medicine Show

Nobody feels any pain
Tonight, as I stand, inside the rain
Everybody knows, baby's got new clothes
But lately, I see her ribbons and her bows
Have a-fallen from her curls

Oh, you take
(Just like a woman)
Yes, you do, and you ache
(Just like a woman)
Yeah, you even make love
(Just like a woman)
But you break, just like a little girl, yeah

Queen Mary, she's my friend
Yes, I believe, I'll go see her again
Nobody has to guess, baby, can't be blessed
That she sees finally, that she's like all the rest
In her fog, in her amphetamine, and her pearls

Oh, you take
(Just like a woman)
Yes, you do, and you ache
(Just like a woman)
You even make love
(Just like a woman)
But you break, just like a little girl

It was raining, from the first
And I was dying, there of thirst, so I came in here
As, in your long time curse hurts
But what's worse, is this pain in here
I can't stay in here
Ain't it clear, that I
I just don't fit

Yes, I believe, it's time for us to quit
When we meet again
Introduced as friends
Please, don't let on, that you knew me when
I was hungry, and it was your world

Oh, you take
(Just like a woman)
Yes, you do, and you ache
(Just like a woman)
Yeah, you even make love
(Just like a woman)
But you break, just like a little girl, yeah

Thank you
