

Freedom Like You

Old Dominion

I been a dirt road drifter, hand on the shifter
Fools gold sifter, ain't never missed a good time
I been a straight no chaser, nest on the razor's edge
And laughed in the face of the devil at midnight

Yeah, I
Spent most of my life
Up on two wheels
Yeah, I know how freedom feels

So, hey baby, hey baby, you hit me
Like straight white lightning out of Tennessee
Wild horses ain't got nothing on you
I ain't never felt no freedom
Like two in the morning got you down to your bare feet
Take me to the limit burning up the back seat
Making my American Dream come true
I never felt no freedom like you
(Ooh ooh ooh, ooh ooh ooh)
No freedom like you
(Ooh ooh ooh, ooh ooh ooh)

Oh I'll fly over baby, Alabama shake me
Love me or leave me in a haze for days on end
'Cause you're a ten out of ten

Yeah, I
Ain't letting you go
Naw, you're my little wild wind
Say my name and I'll call again

And, hey baby, hey baby, you hit me
Like straight white lightning out of Tennessee
Wild horses ain't got nothing on you
I ain't never felt no freedom
Like two in the morning got you down to your bare feet
Take me to the limit burning up the back seat
Making my American Dream come true
I never felt no freedom like you
(Ooh ooh ooh, ooh ooh ooh)
Freedom like you, wild and blue
(Ooh ooh ooh, ooh ooh ooh)
Nah, I ain't never felt no freedom like you

And, hey baby, hey baby, you hit me
Like straight white lightning out of Tennessee
Wild horses ain't got nothing on you
I ain't never felt no freedom
Like two in the morning got you down to your bare feet
Take me to the limit burning up the back seat
Making my American Dream come true
I never felt no freedom like you
(Ooh ooh ooh, ooh ooh ooh)
Nah, no freedom like you
(Ooh ooh ooh, ooh ooh ooh)
No, I never felt no freedom like you
(Ooh ooh ooh, ooh ooh ooh)

I never felt no freedom like you
(Ooh ooh ooh, ooh ooh ooh)
