

Heel to Toe

Old Man Gloom

Glassy eyes
Devilish smile
Grown up baby
Make it cry
Make it sing
When it should sleep
Wake the others
So they see
Close your eyes
You're the instrument
Close your eyes
You will feel this
Heel to toe

Gasp for air
Lying there
Gut in spasms
From expression
Baby laughs
Baby cries
Can't escape
Pinned in place
Close your eyes
You're the instrument
Close your eyes
You will feel this
Heel to toe
