

Back And Forth

Old Mervs

Going back and forth, try to comprehend
I'll just say I didn't meet you in the end
'Cause it's taxing on my brain
I'm shutting all my doors
'Cause I don't feel like I did before

We'll go away now
I'm freaking out for what I'll need
Another breakdown, in my bed I'll see
'Cause I'm the one calling, you're the one yawning
I feel on the edge
And I'm overthinking all of my feelings
It feels all pretend

And my room is never dark
Lights creeping through the floor
And here we go again, I'm tripping out the door
And every time you call, and every time I fall
You know, it's on me

We'll go away now
I'm freaking out for what I'll need
Another breakdown, in my bed I'll be
'Cause I'm the one calling, you're the one yawning
I feel on the edge
And I'm overthinking all of my feelings
It feels all pretend

We'll go away now, I'm freaking out all week
Another breakdown, in my bed I'll be
'Cause I'm, the one you pulled along
And I've been wrong, and I've been wrong
Well you warned me, now you're lonely
And you're calling and it's over me
And I've been wrong, and I've been wrong
