

Diamond

Old Mervs

It's not what you wanted
It's not what you thought of
It's not what you meant
And the girl that you found
Well, she's bringing you down
And I'll be waiting for you

'Cause you're on me
Like a diamond baby
And you're pulling me down
But you're on me
Like a diamond baby
And forever I want to stay

Is there someone that you're trying to please?
I'm not waiting around to see
You take too long
And I'm not that wrong
Well, I say you're not cut out for it
You're only just faking for the love
And I'll be waiting for you

'Cause you're on me
Like a diamond baby
And you're pulling me down
But you're on me
Like a diamond baby
And forever I want to stay

Once you're on me
Like a diamond baby
And you're pulling me down

But you're on me
Like a diamond baby
And you're pulling me down
But you're on me
Like a diamond baby
And forever I want to stay

Oh, 'cause you take too long
Well, you call my phone
And I stay here
Oh well, I'll stay here alone
Well, you take too long
Well, you call my phone
And forever I'll be waiting for you
