

## Fake ID

Old Mervs

We're pre-drinking at Sam's house  
Trying not to sound myself now  
'Cause I'm only seventeen  
Got a fake ID and it look nothing like me

I hate being seventeen  
'Cause I never get to go out  
And I hate being seventeen

I hate all my teachers  
But I love all my friends  
And I'm always counting down, for the weekend

I hate being seventeen  
'Cause I never get to go out  
And I hate being seventeen

I hate being seventeen  
'Cause I never get to go out  
And I hate being seventeen
