

Steady

Old Mervs

Holding on, it's under your skin
Get into the motion, never let it hang out to dry
You don't know how good it's been
'Til it's gone and floating, and you see it in plain sight

Well, it's one way to get better
We'll try and keep it steady
For this one

You don't take at all
You give it
Don't fade and roll on, never let it rust

You don't take at all
You give it
Don't fade and roll on, never let it rust

Don't take at all
Just give it
Don't fade and roll on, never let it rust

Don't take at all
Just give it
Don't fade and roll on, never let it rust

Oh, oh, oh
Oh, oh, oh
Oh, no, no

Don't take at all
Just give it
Don't take at all
Just give it
Don't take at all
Just give it

Oh and never let it rust
Never let it rust
Never let it rust

You don't take at all
You give it
Don't fade and roll on, never let it rust
