

Cover My Own

Old Sea Brigade

Heartbreaker on my own tonight
Soul shaker are you really fine
Thought I'd make it if I really try
Heartbreaker's always on my mind

Truth seeker did you really die
Still need you, show me wrong from right
Found a keeper in my arms sometimes
Truth seeker always on my mind

Cover my own
Cover my head
Thoughts of confusion
Burning in my ribs
Cover my eyes
So I might go blind
Spare my addiction
To a trying time
Cover my own

Time taker in my wasted mind
Come on and take it, it's already last
If you need it, it's all in the lie
Time taker always on my mind

Cover my own
Cover my head
Thoughts of confusion
Burning in my ribs
Cover my eyes
So I might go blind
Spare my addiction
To a trying time
Cover my own

Heartbreaker
Heartbreaker
Heartbreaker on my own tonight
Heartbreaker on my own tonight
Heartbreaker on my own tonight
Heartbreaker

Cover my own
Cover my head
Thoughts of confusion
Burning in my ribs
Cover my eyes
So I might go blind
Spare my addiction
To a trying time
Cover my own
