

## If We Make It Through December

Old Sea Brigade

If we make it through December  
Everything's gonna be all right, I know  
It's the coldest time of winter

And I shiver when I see the falling snow  
If we make it through December  
Got plans to be in a warmer town come summertime

Maybe even California  
If we make it through December, we'll be fine

Got laid off down at the factory  
And their timing's not the greatest in the world

Heaven knows I been working hard  
Wanted Christmas to be right for daddy's girl

I don't mean to hate December  
It's meant to be the happy time of year  
And my little girl don't understand

Why daddy can't afford no Christmas here  
If we make it through December  
Everything's gonna be all right, I know  
It's the coldest time of winter

And I shiver when I see the falling snow  
If we make it through December  
Got plans to be in a warmer town come summertime

Maybe even California  
If we make it through December, we'll be fine
