

# New York State Of Mind

Oleta Adams

Some folks like to get away  
Take a holiday from the neighborhood  
Hop a flight to Miami Beach  
Or to Hollywood  
But I'm taking a Greyhound  
On the Hudson River line  
I'm in a New York State of mind.

I've seen all of those movie stars  
And their fancy cars and limousines  
I've been high in the Rockies  
Or under the evergreens.  
But I know what I'm needing  
And I'm not going to waste more time  
I'm in a New York state of mind.

It was so easy living day by day  
Out of touch with the rhythm and blues  
Now I need a little give and take  
The New York Times and the Daily News, ohh

Comes down to reality and its fine with me  
Cause I've let it slide  
I don't care if it's China Town  
Or up on Riverside  
I don't have any reasons  
Cause I've left them all behind  
I'm in a New York State of mind

I don't have any reasons  
Cause I've left them all behind  
I'm in a New York state of mind.

I'm in a New  
I'm in a New- New York  
I'm in a New  
I'm in a New oh oh
