

# Sweet Side of Life

Oleta Adams

It's so good to see the sweet side  
To make you feel much better  
It makes life worthwhile  
It's so good to see the sweet side  
To make you feel much better  
Feel much better

Nobody holds her at night  
She's been in love before but it just wasn't right  
It's hard to be left on your own  
When you're a woman tryin' to raise a child all alone

Comin' home dead on your feet  
After workin' two jobs just to make ends meet  
But lookin' in her baby's eyes  
Makes a woman feel lucky just to be alive

It's so good to see the sweet side, sweet side of life  
To make you feel much better  
It makes life worthwhile  
It's so good to see the sweet side, sweet side of life  
To get you through whatever  
It's gonna make you smile

She counts up the things that she lacks  
Watching her friends buy mansions while she lives in a shack  
She's got all the joy that she needs watching her boy grow  
Faster than a desert weed

She tells him, "Long as you're honest and strong  
You could make a lot of money, though it won't last long  
But keepin' your eyes up above you'll realize that it's  
Love that makes you who you are"

It's so good to see the sweet side, sweet side of life  
To make you feel much better, baby  
It makes life worthwhile  
It's so good to see the sweet side, sweet side of life  
To get you through whatever  
It's gonna make you smile

It's so good to see the sweet side, sweet side of life  
To make you feel much better, baby  
It makes life worthwhile  
It's so good to see the sweet side, sweet side of life  
To get you through whatever  
It's gonna make you smile

It's so good to see the sweet side, the sweet side  
To make you feel much better  
Life worthwhile (oh much better, baby)  
Good to see the sweet side  
To make you feel much better  
Feel much better  
Life worthwhile

It's so good to see the sweet side, sweet side of life

To make you feel much better, baby  
It makes life worthwhile  
It's so good to see the sweet side, sweet side of life  
To get you through whatever  
It's gonna make you smile

It's so good to see the sweet side, sweet side of life  
To make you feel much better  
It makes life worthwhile  
It's so good to see the sweet side, sweet side of life  
To get you through whatever  
It's gonna make you smile
