

Puppet On A String

Oli London

No no ain't gonna make me
No no

What is this all about
There is never a doubt
Just whos pulling who
But wheres this leading me to?
Love is like a merry-go-round
One day up, next day down
Are you leading me on?
Cause tomorrow I will be gone?

I wonder if one day
That I hear you say
That you love me truly
Or am I just a fool for you

Cause I don't want another fight
I don't think that its right
I thought that it would be
You and me, for eternity
Just you and me
You ain't gonna make me sing
Like a puppet on a string

No no you ain't gonna make me
No no

What is this all about
I know that I can't take no more
It ain't no lie
I want to see you out that door
I'm gonna cut my strings
With all my fun and fair
One day I'm feeling down
And Then I'm on the ground

I wonder if one day
That I hear you say
That you love me truly
Or am I just a fool for you

Cause I don't want another fight
I don't think that its right
I thought that it would be
You and me for eternity
Just you and me
You ain't gonna make me sing
Like a puppet on a string
I wonder if one day
That I hear you say
That you love me truly
Or am I just a fool for you

Cause I don't want another fight
I don't think that its right
I thought that it would be

You and me, for eternity
Just you and me
You ain't gonna make me sing
Like a puppet on a string
I don't want another fight
I don't think that its right
I thought that it would be
You and me, for eternity
Just you and me
You ain't gonna make me sing
Like a puppet on a string
