

# Cash Machine

Oliver Tree

Shiny like a limousine  
You're spending like a cash machine  
Smile, show your golden teeth  
That's how you cover up your cavities  
You're glowing like a diamond ring  
I saw you bought some other things  
You're spending like a cash machine  
To cover up your insecurities  
Don't front, no need

When is it enough?  
How bad do you need that stuff?  
What's it all for?  
Why's it seem like you still want more?  
When is it enough?  
Turns out you don't need that stuff  
(You're glowing like a-)  
(What's it all for?)

Shiny like a cash machine  
Deep down, I'm trying to cover up this tragedy  
I thought that getting the bag was all I need  
But then it finally caught up to me  
I'm not as happy as I seem  
I just hit the lotto  
Was over the moon like Apollo 11  
No kidding, but it's a tough pill to swallow  
When you realize  
Everything you ever wanted is hollow  
I don't care too much for money, it won't buy me love  
The beautiful is ugly when you come down from the drugs  
And you ask

When is it enough?  
How bad do you need that stuff?  
What's it all for?  
Why's it seem like you still want more?  
When is it enough?  
Turns out you don't need that stuff  
(You're glowing like a-)  
(What's it all for?)

Shiny like a limousine  
You're spending like a cash machine  
Smile, show your golden teeth  
That's how you cover up your cavities  
You're not fooling us all
