

# I Hate You

Oliver Tree

Some things are still stuck inside my head  
Some days are still better than the rest  
I started to like you less and less  
And since we met, my life's been a mess

I hate you, you're the worst best friend I ever had  
So thank you, 'cause nothing else could be that bad  
I embrace you and all you did was stab me in the back  
So thank you, 'cause now all I can do is laugh

You only like to talk about yourself  
Do you ever think about anything else?  
You never bother to ask me how I felt  
You were too busy staring in the mirror at yourself

I hate you, you're the worst best friend I ever had  
So thank you, 'cause nothing else could be that bad  
I embrace you and all you did was stab me in the back  
So thank you, 'cause now all I can do is laugh

I think that we both need closure  
Don't ask if I'm coming over  
I'd rather stay here stuck inside my head  
You've only filled me with a whole lot of regret

I hate you, you're the worst best friend I ever had  
So thank you, 'cause nothing else could be that bad  
I embrace you and all you did was stab me in the back  
So thank you, 'cause now all I can do is laugh
