

# Smile

Oliver Tree

Baby I'm gon' miss your smile  
Lately life's been wild  
Please don't forget I'll be back in a while  
Baby I'm leaving here tonight  
We got our whole life  
Please don't forget but I can't miss my flight

Out the front door no time to pack  
I'm 'a grab the bag but I'll be right back  
I ain't running away, I got money to make  
When it rains it pours but it's sunny today  
I'm saving up for a drought  
Stacking more money than I can count  
Just take one look at my bank account  
Stacking bills up until the roof of my house

But you know that I really want more dear  
I come back because you're here  
And you know that I love that  
Otherwise I won't come back  
I'm working 'til the sunrise now  
I'm sorry that I'm not around  
So

Baby I'm gon' miss your smile  
Lately life's been wild  
Please don't forget I'll be back in a while  
Baby I'm leaving here tonight  
We got our whole life  
Please don't forget but I can't miss my flight  
(I'm gone)

For a little bit of pay I work a life away  
You can't spend nothing when you're buried in a grave  
But if I still got unfinished business  
No more saying that I'll be home for Christmas  
Everything in life is a cost  
For everything you gain, there's everything you lost  
Would you make a deal with the devil just to pay that price?  
Would you waste all of the best years of your life?

You know that I really want more dear  
I come back because you're here  
And you know that I love that  
Otherwise I won't come back  
I'm working 'til the sunrise now  
I'm sorry that I'm not around  
So

Baby I'm gon' miss your smile  
Lately life's been wild  
Please don't forget I'll be back in a while  
Baby I'm leaving here tonight  
We got our whole life  
Please don't forget but I can't miss my flight
