

# Strangers

Oliver Tree

Stranger standing next to me  
You're as lonely as I'll ever be  
Stranger standing next to me  
I'm as lonely as you'll ever be

I turned into what I hated  
But I can't escape my own fate  
In the mirror I've betrayed  
When I'm starrng at my own face

It's hard to believe  
The more friends you have the better  
It's never what it seems  
I feel more alone than ever

Stranger standing next to me (oh-oh)  
You're as lonely as I'll ever be (oh-oh)  
Stranger standing next to me (oh-oh)  
I'm as lonely as you'll ever be (oh-oh)

I've never felt so alone in a cloud  
All by myself so many people around  
I've never felt so alone in a crowd  
I'm the loneliest person that you've ever found

I see devils among me now  
In the burning pits of hell  
So whenever I look 'round  
It's the only way I've felt

No one hears sound every time I scream for help  
It's all I think about while I stand here by myself

Oh  
Stranger standing next to me (oh-oh)  
You're as lonely as I'll ever be (oh-oh)  
Stranger standing next to me (oh-oh)  
I'm as lonely as you'll ever be (oh-oh)

Stranger standing next to me  
You're as lonely as I'll ever be  
Stranger standing next to me  
I'm as lonely as you'll ever be
