

# The Exploding Man

Oliver Tree

I make explosions when I can  
Napalm stuck to my hands  
If I blow up, I won't give a damn  
Got a hand grenade in the pocket of my pants

Here comes the blast  
I'll take you out like kamikaze  
Here comes the blast  
Shield yourself with someone else's body

Pieces are falling from the ceiling  
Till the roof fell onto your head  
Can you name a more scary feeling?  
Well, I guess at least you're not dead

Here comes the blast  
I'll take you out like kamikaze  
Here comes the blast  
Shield yourself with someone else's body

Yeah, yeah, yeah  
Yeah, yeah  
Yeah  
Yeah, yeah, yeah  
Yeah, yeah

Pieces are flying off the wall  
Till the brick almost hit your head  
That was such a close call  
Well, I guess at least you're not dead

Here comes the blast  
I'll take you out like kamikaze  
Here comes the blast  
Shield yourself with someone else's body

Yeah, yeah, yeah  
Yeah, yeah  
Yeah  
Yeah, yeah, yeah  
Yeah, yeah

Yeah, yeah  
Yeah, yeah, yeah, yeah
