

When I'm Down

Oliver Tree

My head blows up when I'm alone
Inside out I might explode
I shut my eyes n' my mouth
And my legs just gave out
Why in the world would you hit me when I'm down?

When I'm down
When I'm down
When I'm down
When I'm down

I get lost in n' out
When you walk in n' out
Turn my hair in n' out
I get stomped in the ground
I'm down
But I'm down
I get lost in n' out
When you walk in n' out
Turn my hair in n' out
I get stomped in the ground
I'm down
But I'm down
When I'm down
But I'm down

My head blows up when I'm alone
Inside out I might explode
I shut my eyes n' my mouth
And my legs just gave out
Why in the world would you hit me when I'm down?

When I'm down
When I'm down
When I'm down
When I'm down

I'm down if you're down
There's no way around it
I'm down if you're down
There's no way around it

When I'm down
When I'm down
When I'm down
But I'm down
