

Ladies Room

Olivia Dean

Don't kick up a fuss
When I'm feeling independent
Don't mean you're not enough

I thought we had some trust
So why you lying?
I ain't buying that
I told you what it was

You're projecting
Overstepping
No, I don't have to choose
This is way less about me
And, and way more about you

I love being in your space
Sometimes, I need some room
I won't hear you call if you call

So, darling, don't do that with me
I need you to see
That, darling, you still belong to me
And it's not that deep

Tryna lose my head
So good, I forget
Even if you left
I'm not going home yet
You been sleeping on me
Boy, get out of bed
Even if you left
I'm not going home yet, yeah

Doing it for me
Put myself on top
That love on top
Give me some release

It's that therapy
It's okay
No, you don't have to give me everything (Everything)
I got everything (I got everything)

You're projecting
Overstepping
No, I don't have to choose
This is way less about me
And, and way more about you

I love being in your space
Sometimes, I need some room
I won't hear you call if you call

So, darling, don't do that with me
I need you to see
That, darling, you still belong with me
And it's not that deep

Tryna lose my head
So good, I forget
Even if you left, I'm not going home yet
You been sleeping on me
Boy, get out of bed
Even if you left, I'm not going home yet, yeah

Not going, going
Not going, going
Not going, going
Not going, going

I'm tryna live
Not going, going
Not going, going
Not going, going
Not going, going

I lose my head
So good, forget
I lose my head
So good

I lose my head
So good, forget
I lose my head
So good
