Olivia Dean

Even now  
I don't know when you let go  
Or when it slipped away  
At my house  
Four hands at the piano  
You sure know how to play

I never asked for love  
No diamond ring  
Yeah, you let yourself in

And you weren't allowed  
To come around and throw my heart about  
To turn me on just to turn me down  
And everything's unspoken now  
I'm out  
Silence is so loud

A month ago  
You had me under covers  
Butterflies in bed  
Now I won't phone  
'Cause we went straight to lovers  
So we can't even talk as friends

I never asked for love  
No diamond ring  
Yeah, you let yourself in

And you weren't allowed  
To come around and throw my heart about  
To turn me on just to turn me down  
And everything's unspoken now  
I'm out  
Silence is so loud

Silence is so loud  
Silence is so loud  
And everything's unspoken now  
I'm out  
Silence is so loud

Here I am  
Two hands at the piano  
The one I let you play  
I understand  
If you changed your mind about me  
But all you had to do was say
