

Can't Touch This

Olivia Holt

Ghm!

A few things I would like to mention
Bounce around a little too well
You live for every girls attention
You're some the only one who can tell

Your shiny car don't impress me
I'm a simple thing kind of girl
Everything you say just bored me
Acting like he out of this world

And then you go (go!)
Speeding the game (game!)
Everyone knows (knows!)
Your smooth moves are lame

A-a-a-a-and then you go (yeah, yeah)
Speeding the game (yeah, yeah)
Everyone knows (yeah, yeah)
Your smooth moves are lame (don't play)

But you don't get (enough)
No you don't get (enough)
You'll never get it
Can't touch this
But you don't get (enough)
No you don't get (enough)
You'll never get it
Can't touch this

No try to be a hater
But you keep pushing your luck
Look your just not my flavor
Your play always won't make the cut

Your vocabulary don't impress me
I'm a simple thing kind of girl
Maybe you should stick to modeling
Acting like he out of this world

And then you go (go!)
Speeding the game (game!)
Everyone knows (knows!)
Your smooth moves are lame

A-a-a-a-and then you go (yeah, yeah)
Speeding the game (yeah, yeah)
Everyone knows (yeah, yeah)
Your smooth moves are lame (don't play)

But you don't get (enough)
No you don't get (enough)
You'll never get it
Can't touch this
But you don't get (enough)
No you don't get (enough)

You'll never get it
Can't touch this

Don't even trip them over with
Read my lips, here it is, can't touch this
Boy keep it moving don't forget
Read my lips, here it is, can't touch this

Can't touch this (8x)

And then you go (go!)
Speeding the game (game!)
Everyone knows (knows!)
Your smooth moves are lame

A-a-a-a-and then you go (yeah, yeah)
Speeding the game (yeah, yeah)
Everyone knows (yeah, yeah)
Your smooth moves are lame (don't play)

But you don't get (enough)
No you don't get (enough)
You'll never get it
Can't touch this
But you don't get (enough)
No you don't get (enough)
You'll never get it
Can't touch this
