

# Fearless

Olivia Holt

You used to make my heart pound  
Just the thought of you  
You used to be a cold wind  
Always blowing through

But I won't take it anymore  
That's not what I came here for

I'm stuck in your head  
I'm back from the dead  
Got you runnin' scared  
I'm fearless

I'm callin' you out  
I'm takin' you down  
Don't you come around  
I'm fearless I'm fearless

I got the upper hand now  
And you're losin' ground  
You never had to fight back  
Never lost a round  
You see the gloves are coming off  
Tell me when you've had enough, yeah

Ready for a showdown  
And we're face to face  
I think I'll rearrange it  
Put you into place  
You don't get the best of me  
Check it, you're afraid of me

I'm stuck in your head  
I'm back, back from the dead  
Got you runnin' scared  
I'm fearless

I'm callin' you out  
I'm takin' you down  
Don't you come around  
I'm fearless, I'm fearless

I'm fearless

You used to make my heart pound  
Just the thought of you  
But now you're in the background  
What you gonna do?  
Sound off if you hear this  
We're feelin' fearless!  
We're feelin' fearless!

I'm stuck in your head  
I'm back, back from the dead  
Got you runnin' scared  
I'm fearless

I'm callin' you out  
I'm takin' you down  
Don't you come around  
I'm fearless

I'm stuck in your head  
I'm back, back from the dead  
I'm fearless  
Got you runnin' scared  
I'm fearless

I'm callin' you out  
I'm takin' you down  
Don't you come around  
I'm fearless, I'm fearless
