

# Had Me @ Hello

Olivia Holt

I can feel you comin from a mile away  
My pulse starts racing from the words that you say  
And you say so many of them like you don't have a clue  
That I'm signed, sealed, delivered  
with a stamp on

You don't have to try too hard  
You already have my heart

You don't got a thing to prove  
I'm already into you  
So

Hold, hold, hold, hold me tight now  
Cause I'm so, so good to go  
Don't say, don't say good night you know

You had me at hello  
You had me at hello  
You had me at hello

Don't say, don't say good night you know  
You had me at hello

Close your mouth now baby don't say a word  
Cause you ain't saying nothing I ain't already heard

Plus all them words get buried when the beat so loud  
And the speakers blowin' up to this dance song

You don't have to try too hard  
You already have my heart

You don't got a thing to prove  
I'm already into you  
So

Hold, hold, hold, hold me tight now  
Cause I'm so, so good to go  
Don't say, don't say good night you know

You had me at hello  
You had me at hello  
You had me at hello

Don't say don't say good night you know  
You had me at hello

Ooooh ooooooh ooooh, o-oh o-oh  
Aaaah aaaaah aa-aa-aah, a-ah a-ahhhh-ahah  
(so)

You don't have to try too hard  
You already have my heart  
You don't got a thing to prove  
I'm already into you  
So

Hold, hold, hold, hold me tight now  
Cause I'm so, so good to go  
Don't say, don't say good night you know

You had me at hello  
You had me at hello  
You had me at hello

Don't say, don't say good night you know  
You had me at hello
