

# Speaker

Olivia Holt

[Intro]

Yeah, Banx & Ranx

[Verse 1: Olivia Holt]

You wanna go find an empty room?  
Somewhere to talk and get to know you  
But you're in my space, so I don't want to  
It's getting late, but I won't leave soon

[Pre-Chorus: Olivia Holt]

So, baby, come closer to my ear  
I can't, I can't hear  
We can talk about it over here  
Whatchu, whatchu say?  
Baby, come closer to my ear  
I can't, I can't hear you  
Yeah, you

[Chorus: Olivia Holt]

Everybody is standing outside of the party  
But you and I are right next to the speaker (Speaker)  
We can barely speak here  
But the louder it is, the closer we get

[Verse 2: Olivia Holt]

Too many friends we don't need around  
Too many drinks that we can't turn down  
Plenty of space in this crowded house  
But here in mine's where I want you now

[Pre-Chorus: Olivia Holt & ZieZie]

So, baby, come closer to my ear (Come closer to my ear)  
I can't, I can't hear  
We can talk about it over here (We can put it right here)  
Whatchu, whatchu say?  
Baby, come closer to my ear (Come closer to my ear)  
I can't, I can't hear you  
Yeah, you

[Chorus: Olivia Holt, ZieZie]

Everybody is standing outside of the party (Everybody)  
But you and I are right next to the speaker (Speaker)  
We can barely speak here  
But the louder it is, the closer we get

[Verse 3: ZieZie]

Yeah, the riddim be loud  
Scream and we shout, zoinc  
All in the club and we party, it's four in the morning  
I see this girl from far  
Follow my eyes and tell her come here  
Come, we go to a corner  
Come, baby, don't be scared  
Everybody (Everybody) knows somebody  
So don't worry about me, yeah, yeah  
Can we turn the party?  
And the music's gettin' louder

And we're getting closer  
And she fall in love

[Chorus: Olivia Holt & ZieZie]

Everybody (Everybody) is standing outside of the party  
But you and I are right next to the speaker (Speaker)  
We can barely speak here (Speak here)  
But the louder it is, the closer we get

[Outro: Olivia Holt & ZieZie]

But the louder it is, the closer we get
