

Songs About Jesus

Olivia Lane

I know that prayers get answered
All things can be made new
No past is past too broken
My story's living proof
A heart can't help but share it
Once it's found the light
So I'm gonna spend the rest of my life

Singing songs about Jesus
How He saved my soul
Every line rings freedom
Every word brings hope
I've got a million reasons
A million melodies
Because how good He's been
I will always be
Singing songs about Jesus
Singing songs about Jesus

I'll raise a hallelujah
For His amazing grace
I'll give Him all the glory
Unafraid and unashamed
So if your hearts been rescued
Show em with your voice
There's no greater joy than a joyful noise

Singing songs about Jesus
How He saved my soul
Every line rings freedom
Every word brings hope
I've got a million reasons
A million melodies
Because how good He's been
I will always be
Singing songs about Jesus

Amen Amen
For all He's done for me
Amen Amen
For all eternity
Amen Amen
For all he's done for me
Amen Amen
Forever I will be

Every line rings freedom
Every word brings hope
I've got a million reasons

Because how good He's been
I will always be
