## Alfie

**Olivia Newton-John** 

What's it all about, Alfie Is it just for the moment we live What's it all about when you sort it out, Alfie Are we meant to take more then we give Or are we meant to be kind and live only for the kind, Alfie

Then I guess it is wise to be cruel If love comes only to the strong, Alfie What will you lend on an old golden rule as sure as I believe There's a heaven above, Alfie

I know there's something much more Something even unbelievers can believe in I believe in love, Alfie Without true love, we just exist, Alfie

Until you find the love you've missed, your nothing, Alfie

When you walk let your heart lead the way And you'll find love anyday, Alfie Oh, Alfie.... Mmmmmm Alfie.....
