

Mooning

Olivia Newton-John

I spend my days just mooning
So sad and blue, so sad and blue
I spend my nights just mooning all over you
(All over who?)

Oh, I'm so full of love, as any fool can see
'Cause angels up above have hung the moon on me

(Why must you go?) Why must I go on mooning?
So all alone (So all alone)
There would be no (There would be no) more mooning
If you would call me (Up on the phone)

While lyin' by myself in bed, I cry and give myself the red eye
Mooning over you

I'll stay behind (You'll stay behind)
You mooning, forevermore (Forevermore)
Someday you'll find (Someday you'll find)
Me mooning at your front door (At my front door)

Whoa, everyday at school I watch you
Always will until I got you, mooning, too
There's a moon out tonight
