

# No Regrets

Olivia Newton-John

I know your leaving's too long overdue  
For far too long I've had nothing new to show to you  
Goodbye dry eyes  
I watched your plane fade off west of the moon  
And it felt so strange to walk away alone

No regrets  
No tears goodbye  
Don't want you back  
We'd only cry again  
Say goodbye again

The hours that were yours  
Echo like empty rooms  
The thoughts we used to share  
I now keep alone  
I woke last night and spoke to you  
Not thinking you were gone  
It felt so strange to lie awake alone

No regrets  
No tears goodbye  
Don't want you back  
We'd only cry again  
Say goodbye again

Our friends have tried  
To turn my nights into day  
Strange faces in your place  
Can't keep the ghosts away  
Just beyond the darkest hour  
Just behind the door  
It still feels so strange to lead my life alone

Oh no regrets  
No tears goodbye  
Don't want you back  
We'd only cry again  
Say goodbye again
