

Complicated

Olivia O'Brien

Chill out, what you yelling for?
Lay back, it's all been done before
And if, you could only let it be, you will see
I like, you the way you are
When we're, driving in your car
And you're, talking to me one on one
But you've become

Somebody else, 'round everyone else
You're watching your back, like you can't relax
You're trying to be cool, you look like a fool to me
Tell me

Why do you have to go and make things so complicated?
I see the way you're acting like you're somebody else gets me frustrated
Life's like this you
And you fall, and you crawl, and you break
And you take, what you get, and you turn it into
Honesty and promise me I'm never gonna find you fake it
No, no no
No, no no
No, no no
No, no no
No, no no

You come, over unannounced
Dressed up, like you're something else
Where you aren't where it's at you see
You're making me
Laugh out, when you strike your pose
Take off, all your preppy clothes
You know, you're not fooling anyone
When you become

Somebody else, 'round everyone else
You're watching your back, like you can't relax
You're trying to be cool, you look like a fool to me
Tell me

Why do you have to go and make things so complicated?
I see the way you're acting like you're somebody else gets me frustrated
Life's like this you
And you fall, and you crawl, and you break
And you take, what you get, and you turn it into
Honesty and promise me I'm never gonna find you fake it
No, no no
No, no no
No, no no
No, no no
No, no no

No, no no
No, no no
No, no no
No, no no
