

## hate u love u

Olivia O'Brien

Feeling used, but I'm still missing you  
And I can't see the end of this  
Just wanna feel your kiss against my lips  
And now all this time is passing by  
But I still can't seem to tell you why  
It hurts me every time I see you  
Realize how much I need you

I hate you, I love you  
I hate that I love you  
Don't want to, but I can't put  
Nobody else above you  
I hate you, I love you  
I hate that I want you  
You want her, you need her  
And I'll never be her

What about all the times  
You would pick me up and we'd just drive  
Around until we found a place to stay and waste the day away  
We'd do nothing but it was okay with me  
They say it's not good to spend all my time  
Thinking about you so late at night  
But I can't stop once I start it's like an avalanche  
Thoughts coming and I just wanna hold your hand  
Hold your breath, I'm going under  
Not coming up 'til this night is over  
Until this night is over

I hate you, I love you  
I hate that I love you  
Don't want to, but I can't put  
Nobody else above you  
I hate you, I love you  
I hate that I want you  
You want her, you need her  
And I'll never be her

All alone, I watch you watch her  
Like she's the only girl you've ever seen  
You don't care, you never did  
You don't give a damn about me  
Yeah, all alone, I watch you watch her  
She's the only thing you ever see  
How is it you never notice  
That you are slowly killing me

I hate you, I love you  
I hate that I love you  
Don't want to, but I can't put  
Nobody else above you  
I hate you, I love you  
I hate that I want you  
You want her, you need her  
And I'll never be her
