Olivia O'Brien

I'm too old to fall in love for the first time  
But too young for the last  
I'm too weak to keep going and going  
But too strong to keep running right back

I'm too smart to make the same mistakes  
But too dumb not to try it  
I'm too nice to say how I really feel  
But I'm too mean for compromising

I'm a walking contradiction  
I will always be the same except I'm different now  
And it's bittersweet in my comfortable misery  
I'm a walking contradiction  
I'm a living breathing talking work of fiction, oh  
A definite maybe deliberate mistake  
A wise fool

And I may be wrong but it's true

I'm too ugly to love my reflection  
But too pretty to complain  
I'm a girl and that's all I'll ever be  
But I'm a woman just the same

I'm a walking contradiction  
I will always be the same except I'm different now  
And it's bittersweet in my comfortable misery  
I'm a walking contradiction  
I'm a living breathing talking work of fiction, oh  
A definite maybe deliberate mistake  
A wise fool

And I may be wrong but it's true  
And I may be high but I'm cool
