

## Against All Odds

Olivia Ong

How can I just let you walk away Just let you leave without a trace  
When I stand here taking Every breath with you ohhhh You're  
the only one Who really knew me at all How can you just walk  
away from me When all I can do is watch you leave 'Cause we've  
shared the laughter and the pain And even shared the tears You'  
re the only one Who really knew me at all

So take a look at me now 'Cause there's just an empty space And  
there's nothing left here to remind me Just the memory of your  
face So take a look at me now 'Cause there's just an empty spa  
ce And you coming back to me is against the odds And that's wha  
t I've got to face

I wish I could just make you turn around Turn around and see me  
cry There's so much I need to say to you So many reasons why Y  
ou're the only one Who really knew me at all

So take a look at me now 'Cause there's just an empty space And  
there's nothing left here to remind me Just the memory of your  
face So Take a look at me now Cause there's just an empty spac  
e But to wait for you is All I can do And that's what I've got  
to face Take a good look at me now 'Cause I'll still be standin  
g (standing here) And you coming back to me is against all odds  
That's the chance I've got to take (chance I got to take, got  
to take)

Yeahh yeah yeah Take A look at me now (Take A Look at me now)
