

I feel the earth move

Olivia Ong

I feel the earth move under my feet
I feel the sky tumbling down
I feel my heart start to trembling
Whenever you're around

Ooh, baby, when I see your face
Mellow as the month of May
Oh, darling, I can't stand it
When you look at me that way

I feel the earth move under my feet
I feel the sky tumbling down
I feel my heart start to trembling
Whenever you're around

Ooh, darling, when you're near me
And you tenderly call my name
I know that my emotions
Are something I just can't tame

I feel the earth move under my feet
I feel the sky tumbling down, tumbling down
I feel my heart start to trembling
Whenever you're around

I feel the earth move under my feet
I feel the sky tumbling down, tumbling down
I feel the earth move under my feet
I feel the sky tumbling down, tumbling down

I just lose control
Down to my every soul
I get hot and cold all over
All Over
All Over
All Over

I feel the earth move under my feet
I feel the sky tumbling down, tumbling down
I feel my heart start to trembling
Whenever you're around
