

I'll Get Back To You

Olivia Ong

I can tell you I'm not gonna hide But somewhere inside I get shy when you're around

Cruising felling I go up and down In and out Land on the ground
So...

What is this What's happenin' What it is i feel for you and you
and only you Gets me going high There you are Walking by Twinkle in your eyes I see it everywhere i go

Teddy bear toys are not what i want from you Take me to fairytale land, you don't have to Let yourself be Natural Coz you know
I'll get back to you Come on feel the flow

Teddy bear toys are not what i want from you Tell you the truth I just want to be with you Coz you know I'll get back to you
Come on feel the flow

Teddy bear toys are not what i want from you Tell you the truth I just want to be with you Coz you know I'll get back to you
Come on feel the flow

I can tell you It's more than crush Coz somewhere inside I'm gonna get you too

Cruising feeling I go up and down in and out Land on the ground
So....
