Make It With You

Olivia Ong

Hey have you ever tried
Really reaching out for the other side
I maybe climbing on rainbows
But baby here goes...

Dreams there for those who sleep
Life it's for us to keep
And if you're wondering
What this all is leading to...
I want to make it with you

I really think that we could make it boy
No you don't know me well
Every little thing only time will tell
To believe the things that I do
And we'll see it through...

Life can be short or long
Love can be right or wrong
And if I chose the one
I'd like to help me through...
I like to make it with you

I really think that we could make it boy...

Baby you know that
Dreams there for those who sleep
Life it's for us to keep
And if I chose the one
I'd like to help me through...
I like to make it with you

I really think that we could make it boy
