Olivia Ong

A little bit of school, A little act of cool A little bit actin
g like a fool, A little bit of this, A little bit of that, I th
ink I'll make it on my own,

And I'm, just tryna get to heaven, With some of these dream int
act, All my friends keep googling, I maintain.

hey hey hey Sing! Sing me a song! Let`s have a party all life a
long, Sing me a true Fly to the moon, ain't nothing more that y
ou can do,

hey hey hey Sing! my baby boo, Sing 'till the red pill now turn
s blue, Sing me a tune, Sing me the blues, I'm tryna party boy
with you.

Sing me a song!

A little bit of good, A little bit of bad, I'll call you back o
n my ipad, A little bit of tech, A kiss on the neck, How do you
say I'll be right back,

And all there folks try get ahead, And I've been there before,
But my friends keep telling me, Stop and breathe...

I'm fallin` love, with the idea, of you, baby... I'm fallin lov
e, with the idea, of you, baby...

And if my shoes can keep me running, It won't be too long, Just
a little bit, a tiny little bit, Just a little wit, I'll be fi
ne so...
