

favorite crime

Olivia Rodrigo

Know that I loved you so bad
I let you treat me like that
I was your willing accomplice, honey
And I watched as you fled the scene
Doe-eyed as you buried me
One heart broke, four hands bloody

The things I did
Just so I could call you mine
The things you did
Well, I hope I was your favorite crime

You used me as an alibi
I crossed my heart as you crossed the line
And I defended you to all my friends
And now every time a siren sounds
I wonder if you're around
'Cause you know that I'd do it all again

Oh, the things I did
Just so I could call you mine
The things you did
Well, I hope I was your favorite crime

It's bittersweet to think about the damage that we do
'Cause I was goin' down, but I was doin' it with you
Yeah, everything we broke and all the trouble that we made
But I say that I hate you with a smile on my face
Oh, look what we became

All the things I did
Just so I could call you mine
All the things you did
Well, I hope I was your favorite crime

Your favorite crime, your favorite crime
'Cause, baby, you were mine
