Olivia Rodrigo

La-da-da-da, da-da-da (Da-da-da-da-da)  
La-da-da-da-da

If I told you how much I think about her  
You'd think I was in love  
And if you knew how much I looked at her pictures  
You would think we're best friends

'Cause I know her star sign, I know her blood type  
I've seen every movie she's been in, and, oh God, she's beautiful  
And I know you loved her, and I know I'm butthurt  
But I can't help it, no, I can't help it

I'm so obsessed with your ex (Uh-huh)  
I know she's been asleep on my side of your bed, and I can feel it  
I'm starin' at her like I wanna get hurt  
And I remember every detail you have ever told me, so be careful, baby  
I'm so obsessed with your ex (Ah)  
Yeah, I'm so obsessed with your ex (Ah)

La-da-da-da, da-da-da

She's got those lips, she's got those hips  
The life of every f\*ckin' party  
She's talented, she's good with kids  
She even speaks kindly about me, ah-ah

And I know you love me, and I know it's crazy  
But every time you call my name, I think you mistake me for her  
You both have moved on, you don't even talk  
But I can't help it, I got issues, I can't help it, baby

I'm so obsessed with your ex  
I know she's been asleep on my side of your bed, and I can feel it  
I'm starin' at her like I wanna get hurt  
And I remember every detail you have ever told me, so be careful, baby  
I'm so obsessed with your ex (Ah)  
Yeah, I'm so obsessed with your ex (Ah)

Is she friends with your friends? Is she good in bed?  
Do you think about her? No? I'm fine, it doesn't matter, tell me  
Is she easy-going? Never controlling?  
Well-traveled? Well-read? Oh God, she makes me so upset

I'm so obsessed with your ex (Ah)  
She's been asleep on my side of your bed (Ah), woah  
I'm so obsessed with your ex (God, she makes me so upset)  
I'm so obsessed with your, with your ex
