

# Pretender

Olivia Rodrigo

What lies  
Behind  
Your pretty house with the white picket fence  
And all the Barbies that you call your friends?  
Is your life  
A lie?  
Nothing's as good as it seems  
And you're not the girl of their dreams

[Pre-Chorus]  
Oh, and maybe your life is all flowers  
Maybe I'm insecure  
Maybe you're good at taking pictures  
Maybe you're a pretender (Oh)

[Chorus]  
Pretender  
I'm pointing my finger at you  
Pretender  
If only they knew what I knew  
Yeah, if only they knew what I knew (Mmm, mmm)

[Verse 2]  
I'm happy  
With me  
Think that's supposed to be enough  
So why am I sulking, calling your bluff?

[Pre-Chorus]  
Maybe your life is all flowers  
Maybe I'm insecure  
And maybe you're good at taking pictures  
You're a pretender-er-er

[Chorus]  
Pretender  
I'm pointing my finger at you  
Pretender  
If only they knew what I knew  
Yeah, if only they knew what I knew (Ah, mmm)

[Bridge]  
Pretender  
I guess you're really not so bad  
Maybe you pretend  
But you look like you got the life I wish I had  
I created you  
To be plastic and deadly  
I created you  
To hide my own envy  
To hide my own envy, yeah

[Chorus]  
Pretender  
I wish I knew what you knew  
Pretender  
If only I was like you

Maybe I'm a pretender like you
