

# scared of my guitar

Olivia Rodrigo

Perfect, easy, so good to me  
So why's there a pit in my gut in the shape of you?  
Distract myself, say it's somethin' else  
Maybe I'm just overwhelmed, maybe I'm confused

Barely sleep when you sleep next to me  
But I keep thinkin' I'll find a cure  
I say that I'm fine, I tell you all the time  
I've never felt so happy and sure

But I'm so scared of my guitar  
'Cause it cuts right through to the heart  
Yeah, it knows me too well so I got no excuse  
I can't lie to it the same way that I lie to you  
I'm so scared of my guitar  
If I play it, then I'll think too hard  
Once you let the thought in, then it's already done  
So I lay in your arms and pretend that it's love

If I was brave and noble like you  
I'd have the nerve to just stop stringin' you along

But I'm not half as decent as you  
I'd rather be tied to someone, even if they're wrong

I make excuses, my friends know the truth is  
I'm not as alright as I claim  
I say that I'm fine, I tell them all the time  
As they watch all the life fade away

Yeah, I'm so scared of my guitar  
'Cause it cuts right through to the heart  
Yeah, it knows me too well so I got no excuse  
I can't lie to it the same way that I lie to you  
I'm so scared of my guitar  
If I play it, then I'll think too hard  
Once you let the thought in and then it's already done  
So I lay in your arms and pretend that it's love

Yeah, I lay in your arms and pretend that it's love

I pretend that it's love  
I pretend that it's love  
I pretend that it's love, love

'Cause what if I never find anything better?  
The doubt always creeps through my mind  
So we'll stay together 'cause how could I ever  
Trade somethin' that's good for what's right?

Oh, I'm so scared of my guitar  
It cuts right through my heart  
It knows me too well, I got no excuse  
I can't lie to it the same way that I lie to you  
I'm so scared of my guitar  
When I play it is when I think too hard

I let the thought in, it's already done  
But I lay in your arms and pretend that it's love  
Yeah, I lay in your arms and pretend it's enough
