

# Wondering

Olivia Rodrigo

Seems like a part of me will always have to lose  
Every single time I have to choose  
Swore that it felt right, but was I wrong?  
Is this where I'm supposed to be at all?  
I don't have the answers, not today  
It's like nothing makes the questions go away  
What I'd give to see if the grass was greener

On the other side of all I've had and lost  
Would it be enough or would I still be wondering?

If I could go back and change the past  
Be a little braver than I had  
And bet against the odds  
Would I still be lost?  
Even if I woke up in my dreams  
Would there still be something I'm missing?  
If I had everything, would it mean anything to me?  
Ooh

Feels like I might have broke the best thing that I had  
I said too much to ever take it back  
Scared I'll never find something as good  
And would I even know it if I could?

On the other side of all I've had and lost  
Would it be enough or would I still be wondering?  
(Or would I still be wondering, oh)

If I could go back and change the past  
Be a little braver than I had  
And bet against the odds  
Would I still be lost?  
Even if I woke up in my dreams  
Would there still be something I'm missing?  
If I had everything, would it mean anything?

Maybe I should turn around and take the other road  
Or maybe I'm just lookin' for what I already know  
I'm just wondering

If I could go back and change the past  
Be a little braver than I had  
And bet against the odds  
Would I still be lost?  
Even if I woke up in my dreams  
Would there still be something I'm missing?  
If I had everything, would it mean anything to me?

Would it be enough  
Or would I still be wondering?
