

## December

Olivia

Who am I to you, where do we stand are you my man?  
You told me you were through and you were leaving her for me.  
But it doesn't seem that way, we made plans some time ago  
Keep putting me on hold.  
And on top of all this mess  
Word is getting back to me  
You never claimed me.

Ain't what I heard you said you loved me in December  
It ain't what I heard you said you loved me in  
December I remember.

Please come and save the day, say I'm the one you love  
This all a big mistake, and I don't wanna play the fool of givi  
ng up a lot of me  
For you uu uu  
How can you let this be?, how can you not defend me?  
Are my eyes deceiving me? noo ooo ooo  
Is there a possibility, is it true what they're saying, I won't  
believe it.

It ain't what I heard you said you loved me in December ohhhh  
It ain't what I heard you said you loved me in December I remem  
ber  
So it ain't what I heard you said you loved me in December  
Oh it ain't what I heard you said you loved me in December I re  
member.

Who am I to  
Who am I to you

Did I ever mean a thing?

I trusted you, I was such a fool

No you never meant one word you said  
No I don't believe it, how could you erase me  
All the promises that wasted time.  
No I don't believe it, you said that you needed me then you tur  
ned right around and just lied.

So it ain't what I heard you said you loved me in December.  
Oh it ain't what I heard you said you loved me in December, I r
