

Different Shit

Olivia

Baby draw back all the shades
'Cause you 'bout to get laid
Down on the bed, I'll show you the right way
Yeah, I'ma hop up on that mattress
Perform just like an actress
Nominated for the best you've ever had
'Cause baby I've got what you want
Mmm, you got what I want
Sexin' you is all that I wanna do
Yeah baby I've got what you want
You got what I want
I'ma put you on to something you ain't used to

Normally the hook goes here, here
But you could put your (mmm) right there, there
I just wanna try to change it up a bit
Put your ass on to some different shit

Normally the hook goes here, here
