

Dirty Dance

Olivia

I can see you looking
Standing over there your kinda grooving
Moving to the beat like what ya doing
I see the Hennessy it got you zoning
Company is missing
1 on 1 is needed for this mission
Baby, you on me pick the position
I don't care if everybody's staring, yeah

Cause you got
What I need to make this night go
Right it's only you
And me tonight though
If this is how
The nights gon be (go real slow)
I want you all over me
Holding me, dirty

Dirty dance with me
Let's hit the dance floor
We can be nasty as we wanna be
Dirty dance with me
Grinding on my body
We can dirty dance like the movie
Once we get started we ain't gon stop
Shit so sexy got me so damn hot
Dirty dance with me
Come on gimmie more
Let's make love on the dance floor

I can see you looking
Standing over there your kinda grooving
Moving to the beat like what ya doing
I see the Hennessy it got you zoning
Oh, Company is missing
1 on 1 is needed for this mission
Baby, you on me pick the position
I don't care if everybody's staring

Cause you got what I need to make
This night go
Right it's only you
And me tonight though
If this is how the nights gon be
(Go real slow)
I want you all over me (over me)
Holding me, dirty

Dirty dance with me
Let's hit the dance floor
We can be nasty as we wanna be
Dirty dance with me
Grinding on my body
We can dirty dance like the movie
Once we get started we ain't gon stop
Shit so sexy got me so damn hot
Dirty dance with me

Come on gimmie more
Let's make love on the dance floor

Say oh wee oh wee oh
Oh oh oh
Say oh wee oh wee oh
Oh oh oh oh

Dirty dance with me
Let's hit the dance
Floor we can be nasty as we wanna be
Dirty dance with me
Grinding on my body
We can dirty dance like the movie
Once we get started
We ain't gon stop
Shit so sexy got me so damn hot
Dirty dance with me
Come on gimmie more
