You like it then I love it
I ain't gotta think nothing of it
Ahh ahh
If you down wit me
I ain't gotta press ya hand
You already over stand
You just get me
You need me and I know it
All you got do is show me
Ahh ahh
I'll be there for you
You ain't gotta ask again
You ain't gotta tell yo friend
It ain't they business no way

Cause babe, it ain't none of they business
They gon be blurring ya vision
I am nothing like ya ex
And that's why she's not in the picture
I know that you won't break my heart
But you got the tools to fix it
Got me like, aye yah yah yah
Aye yah yah yah yah

All I ever wanted
Was somebody who could handle it
Peanut butter jelly
So much bread it's a sandwich
Aye, but it
Ain't about the money
Ahh ahh
My nigga really love me
My nigga really me
My nigga really love me, ahh ahh

Bitches say niggas ain't shit
Bitches say niggas ain't shit
You ain't out here getting what I get
You ain't getting all this dick, baby
My nigga gon ride for me
Stimulate my mind for me
I ain't talking bags and shoes
Y'all bitches do what you do
He treat me like everyday my birthday
Got damnit he remembers anniversaries
Pays attention to the little things
House all in my name
We don't play them games
Always number 1 on his list
Cause babe, it ain't

Babe, it ain't none of they business
They gon be blurring ya vision
I am nothing like ya ex
And that's why she's not in the picture
I know that you won't break my heart
But you got the tools to fix it

Got me like, aye yah yah yah
Aye yah yah yah yah

If they looking at me
Sweeps me off my feet
I ain't never been so happy
He don't care who sees
I don't care
If they looking at me
Sweeps me off my feet
Sweeps me off my feet

All I ever wanted
Was somebody
Who could handle it
Peanut butter jelly
So much bread it's a sandwich
Ayee, but it ain't about the money
