

## Your Special

Olivia

Boy I'd do anything to make you fee special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special  
Boy I'd do anything to make you feel special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special

Remember, I told you in the beginning that I was not with it, baby boy  
I knew that it would be a mistake if you and I were to take it further, boy  
Now look everything's changed, you're really not the same  
Oh babe, I wish you were how you used to before  
You and I became so much before  
Of an item babe, I liked it better that way  
Now all I can do is love you anyways baby, ooh

Boy I'd do anything to make you fee special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special  
Boy I'd do anything to make you feel special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special

Remember when we first met  
You thought you could get me but you didn't, baby boy  
I took your number but I never call it  
Because I wanted to feen a little for me boy  
So then I took a chance on you, my feelings grew  
I learned a little 'bout you, now I wanna know more  
Because I'm not too sure what I'm gonna do with you  
Oh babe, I'm so confused  
Now all I gotta do is love you anyway

Boy I'd do anything to make you fee special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special  
Boy I'd do anything to make you feel special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special

You for me  
And me for you  
I'll hold you down  
I'll fight for you  
No matter what we're going through  
I ride for you because you're special  
You for me  
And me for you  
I'll hold you down  
I'll fight for you  
No matter what we're going through  
I ride for you because you're special

Boy I'd do anything to make you fee special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special  
Boy I'd do anything to make you feel special  
And it's easy to see you're special to me  
Weather we're lovers or friends, we'll always be  
I want you to know you're special
