Hey Siri
Hey there
Call my baby
Calling my baby

You got something I've waited for
I can't ignore it I need to know
How you got me acting like I'm insane
Like I'm in a daze
On that Mary Jane, yeah
Reel me in and I'll sink your line
I'm great as a catch but your dinner 2nite
Baby, you prefer that red or white
Can't wait to turn down the lights

It's crazy how
Every time that you cross my mind, boy
You got me stuck, boy
I don't even wanna hit the road
Do no shows, mind blown, oh
You got me stuck boy
(Cause if your not there)
Cause if you're
Not there I don't even wanna go (go)
So many thoughts of us all night long
Why when your on my mind now
You got me stuck, boy
You got me stuck, boy, yeah

Wait, wait a min
(Wait a min, one more minute)
You know that it's yours you gon' get it
Touching my body
I'm feening for more (uh uh)
Can't hold it no longer
I'm ready to score
Right at the line
Won't you dive on in
Inside my end zone
You ready to win
(I need you to know)
If you gotta tap out
I'll tap you back in (and we go)
Just get it again
And again and again

It's crazy how
Every time that you cross my mind, boy
You got me stuck, boy
I don't even wanna hit the road
Do no shows, mind blown, oh
You got me stuck, boy
(Cause if your not there)
Cause if you're not
There I don't even wanna go (go)
So many thoughts of us all night long
Why when your on my mind now

You got me stuck, boy
You got me stuck, boy, yeah

I'm ready your ready it's yours, babe
