

# Leave Me Alone

Ollie

Don't call my friends  
Don't call my home  
Don't call my momma  
Leave me alone  
You've done the damage  
You should've known, so

Leave me alone, leave me alone, leave me alone  
Leave me alone, leave me alone, leave me alone (Leave me)  
Leave me alone, leave me alone, leave me alone  
You've done the damage  
You've messed me up  
You should've known

Hope that you feeling this pain, I won't go through it again  
Always complained 'bout your ex then you went and did me the same  
Maybe you got your reasons, doesn't mean I'm gon' stay  
I deserve better than watching you hurt me and curse me then lie to my face  
Not coming back, I should've known, leave me alone  
It's in the past, leave it at that, I should've known  
So I shoulda never assumed that you would be honest  
I thought I might as well just let you know

Don't call my friends  
Don't call my home  
Don't call my momma  
Leave me alone  
You've done the damage  
You should've known, so

Leave me alone, leave me alone, leave me alone  
Leave me alone, leave me alone, leave me alone (Leave me)  
Leave me alone, leave me alone, leave me alone  
You've done the damage  
You've messed me up  
You should've known

I picked you up; you put me down  
Only acted like you loved me when no one's around  
I gave you everything but you let me drown  
You had me thinking that I'm going crazy  
Manipulate everything, you were the one  
Now you're a ghost, this what you chose  
I'm feeling numb  
Give me a dose  
Yeah, give me something so I fly away  
All this pain, I wanna hide away  
I was only tryna build you up  
So go ahead and blame it all on me

Don't call my friends  
Don't call my home  
Don't call my momma  
Leave me alone  
You've done the damage  
You should've known, so

Leave me alone, leave me alone, leave me alone  
Leave me alone, leave me alone, leave me alone (Leave me)  
Leave me alone, leave me alone, leave me alone  
You've done the damage  
You've messed me up  
You should've known
